Detailed Schedule

Time	Activity	Who	Additional comments
8.30 – 9.00	Registration		
9.00 – 9.30	Opening and introductions	Paul Date Richard	Paul welcomes participants > frame the workshop and introduce the facilitation team Short intro of participants → circle: step forward who belongs to QI / value chain / other organisations > get an overview of who is participating
9.30 – 9.45	Presentation of the program and objectives	Richard	The program and objectives are handed out to the participants and written on a flipchart paper Shortly go over the objectives and the agenda Situate the workshop in the Calidena process > frame the workshop and inform participant of what to expect (why are we here and why are we doing those exercises?)
9.45 – 10.10	<i>Intro Questions</i> 1) What are the major achievements of the CALIDENA process so far? 2) What are personal learnings and take aways from the process? 3) What doubts remain regarding the Calidena process for mango?	Katharina	The participants think for themselves and write their thoughts on cards Prepare matrix on board to collect thoughts > get an overview of the feeling about the process up to now
10.10 – 10.30	What have we achieved so far?	KT	Short presentation of implemented activities and activities that are still being worked on > get a common understanding of what has already been done
10.30 –	Coffee break		

10.45			
10.45 – 11.15	Continuation of the activities within the Mango Round Table	Presentation by Tony Facilitation KT	1. How will the Mango Round Table continue the process? (process, responsibilities, participation, diffusion of information) 2. What is our next big objective, once the quality infrastructure services for the mango value chain have been strengthened? > get participants to approve the planned continuation of the process within the Mango Round Table and consider their suggestions on how to do this > basis for the definition of the action plan
11.15 – 12.00	Reflection on the activities so far (30 mins) and presentation of results (15 mins) 1) What has worked well and why? 2) What was difficult and why? 3) What still needs to be improved?	Richard & KT	Work in groups regarding the different quality challenges we have worked on: - Ghana Green Label Standard - Pesticide residue testing - Calibration - Pesticide quality > understand what is key for the implementation of defined activities (information to be used as background for the definition and implementation of further activities)
12.00 – 12.15	Alternate Gordian Knot (or similar ice breaker) → “Strengthening our network”		The group forms a circle. everyone puts their right hand in and grabs another person’s hand. then they put in the left hand and grab another person’s hand. now everyone should be holding hands in a big knot rules: you cannot grab the hands of the people next to you; you must grab the hands of two different people now, instead of slicing through this knot, co-operatively untangle it without breaking the thread.
12.15 – 13.00	Activities to be continued and how this can be achieved	Richard	Creation of mini action plans for each topic area Including deadlines, main responsible (needs to be part of the working group) and organisations to be involved > autonomous definition of next activities

13.00 – 14.00	Lunch		
14.00 – 15.00	Presentation of the action plans	Richard	Evaluation papers to be handed out before the ceremony
15.00 – 15.50	Official hand-over to the mango round table and signing of the Letter of Intent	Richard	<i>Commitment statement of each institution (by the representative)</i> <i>Signing of the Letter of Intent</i> <i>Group picture</i>
15.50 – 16.00	Closing		Leave space for networking
16.00	End of the event
